

MARCH 2025

A MESSAGE FROM MRS PETERSEN

Dear Spring Ridge Families,

Wow! February was an exciting month for the students at Spring Ridge Elementary. The focus was on reading, reading, reading, and the Winter Reading Program! Experts agree that reading is the basis for school success and we appreciate your support in encouraging your children to read at home. With children developing a love for reading in their elementary years, that enjoyment can last a lifetime.

Once again, we had nearly 100% attendance during our February Parent Teacher Conferences. Thank you for your continued support during conferences and throughout the year. The success that our students enjoy is directly impacted by your involvement at Spring Ridge. The education of our children is truly a team effort. The Spring Ridge staff appreciates your support and invites you to contact us anytime regarding the progress of your child.

Thanks to the PTO for the wonderful food that was provided during Parent-Teacher Conferences!!! It was delicious and greatly appreciated!

Laurinda Petersen

Spring Ridge Principal

All students in grades three through eight, as well as 11th grades, will take part in NSCAS (Nebraska Student Centered Assessment System). Results from the NSCAS will be used to identify strengths and areas of need across the district, as well as for each individual student. It is important that your student(s) be present during these assessments in order to get an accurate snapshot of their level of mastery in relation to state standards. These results will also allow our teaching staff to guide classroom instruction based on areas of need. Listed below are the scheduled dates for the NSCAS assessments at Spring Ridge. Please be mindful of these dates when scheduling appointments, vacations, etc. If you have any questions regarding NSCAS assessments or scheduled testing dates, please feel free to contact Laurinda Petersen at 402-637-0204.

- Contagious diseases such as chickenpox, measles, mumps, pink eye, etc.
- Skin eruptions or suspicious rash
- Vomiting and/or diarrhea

A child absent from school because of a skin disease or other infectious or contagious disease may be required to present a statement from a doctor upon returning to school (Guidelines under student handbook).

-Reminders-

- 4th grade girls and boys health talks will be held separately on Thursday, March 13th at 2:15pm. Parents who attend the lesson are asked only to observe. If you have any questions or concerns or would like to view the video, please feel free to contact me or the school office. *All students must have parent/guardian permission to participate in this lesson.

It's not too early to start scheduling your school and sports physicals!

Students who will be entering **Kindergarten** in the fall or who are **new students from out of state** will need to submit a **physical exam and vision exam (including tests for strabismus, amblyopia, and acuity) dated after February 12th, 2025**, as well as a current immunization record including the Kindergarten booster shots. Here is the [Summary of the School Immunization Rules and Regulations](#).

****Health records should be submitted to school prior to the first student day on August 12th, 2025.**

Thank you!
